Debt Issuance Programme

Series No.: 1146

Issue of

GBP 115,000,000 Floating Rate Notes 2013 due 12 May 2015 (the "**Notes**")

FINAL TERMS

The date of these Final Terms is 8 November 2013.

The Base Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor any Dealer has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

The expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions ("**Conditions**") set forth in page 58 to page 86 of the base prospectus dated 3 July 2013, as supplemented by the supplemental prospectus dated 30 August 2013 (the "**Base Prospectus**") issued in relation to the Euro 90,000,000,000 debt issuance programme of N.V. Bank Nederlandse Gemeenten which constitutes a base prospectus for the purposes of the Prospectus Directive. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus. Full information on the Issuer and the Notes described herein is only available on the basis of a combination of these Final Terms and the Base Prospectus. The Base Prospectus is available for viewing, upon the oral or written request of any persons, at the specified offices of the Paying Agent. Copies may be obtained at the specified offices of the Paying Agent. A summary of the Notes is attached to these Final Terms.

These Final Terms do not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation; and no action is being taken to permit an offering of the Notes or the distribution of these Final Terms in any jurisdiction where such action is required.

SUMMARY OF THE NOTES

Summaries are made up of disclosure requirements known as "Elements". These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for this type of securities and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary with the mention of 'Not applicable'.

Section A – Introduction and Warnings		
A.1	Introduction and warnings:	This summary should be read as an introduction to the Base Prospectus. Any decision to invest in the Notes should be based on consideration of the Base Prospectus as a whole including any documents incorporated by reference by the investor. Where a claim relating to the information contained in the Base Prospectus is brought before a court, the plaintiff investor might, under the national legislation of the Member State, have to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. Civil liability attaches only to those persons who have tabled the summary including any translation thereof, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus or it does not provide, when read together with the other parts of the Base Prospectus, key information in order to aid investors when considering whether to invest in the Notes.
A.2	Consent to use of this Base Prospectus:	Not Applicable. No Public Offer of the Notes will be made.

Section B – The Issuer		
B.1	The legal and commercial name of the Issuer:	The legal name of the Issuer is N.V. Bank Nederlandse Gemeenten. The commercial name of the Issuer is BNG Bank.
B.2	The domicile and legal form of the Issuer, the legislation under which the Issuer operates and its country of incorporation:	BNG Bank is a public company with limited liability (<i>naamloze vennootschap</i>) incorporated under the laws of the Netherlands, having its statutory seat at The Hague, the Netherlands. BNG Bank is registered in the trade register of The Hague Chamber of Commerce under no. 27008387.
B.4b	A description of any known trends affecting	BNG Bank's business and results of operations are affected by local and global economic conditions, perceptions of those conditions and future economic prospects. The outlook for the

	<p>the Issuer and the industries in which it operates:</p>	<p>global economy over the near to medium term remains challenging. Many forecasts predict at best only stagnant or modest levels of gross domestic product ("GDP") growth in the European Monetary Union ("EMU") where a relatively robust German economy has been offset by the weakness of other Eurozone economies attributable to factors such as high unemployment, declines in consumer spending and the adoption of austerity measures in response to increased sovereign debt risk. In particular in Greece, Italy, Ireland, Portugal and Spain ("GIIPS"), France and Cyprus economic and GDP growth have been weak.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and also by terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to the Issuer's operations (such as imposition of a financial transaction tax) could have an adverse effect on its business and/or results of operations.</p> <p>BNG Bank cannot predict what impact new rules and regulations will have on its business until such rules and regulations are fully adopted and implemented. Any new or changed regulations may adversely affect BNG Bank's business and/or results of operations.</p>
<p>B.5</p>	<p>Description of the Issuer's group and the Issuer's position within the group:</p>	<p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has a number of wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <ul style="list-style-type: none"> • BNG Vermogensbeheer B.V. (previously BNG Capital Management B.V.) • BNG Gebiedsontwikkeling B.V. • Hypotheekfonds voor Overheidspersoneel B.V.
<p>B.9</p>	<p>Profit forecast or estimate:</p>	<p>Not applicable. BNG Bank has not made any public profit forecasts or profit estimates.</p>
<p>B.10</p>	<p>Qualifications in the Auditors' report:</p>	<p>Not applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2012, 31 December 2011 and 31 December 2010 incorporated by reference in this Base Prospectus are unqualified.</p>

Section D – Risks		
D.2	Key information on the key risks that are specific to the Issuer:	By investing in Notes issued under the Programme, investors assume the risk that BNG Bank may become insolvent or otherwise unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in BNG Bank becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur. The inability of BNG Bank to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons. Additional risks and uncertainties not presently known to the Issuer or that it

		<p>currently believes to be immaterial could also have a material impact on its business operations. BNG Bank has identified a number of factors which could materially adversely affect its business and ability to make payments due under the Notes.</p> <p>These factors include:</p> <ul style="list-style-type: none"> • local and global economic and financial market conditions; • the continuing economic crisis in Europe; • liquidity risks and adverse capital and credit market conditions; • volatility in interest rates, credit spreads and markets; • rating downgrades; • risk management through derivatives and other risk management methods; • counterparty risk exposure; • changes or increases in the financial services laws and/or regulations; • amendments to the regulation on Treasury Banking; • IT and other systems; and • third parties to which it has outsourced.
<p>D.3</p>	<p>Key information on the key risks that are specific to the Notes:</p>	<p>There are also risks associated with the Notes. These include:</p> <p>Risks related to the market for the Notes:</p> <ul style="list-style-type: none"> • liquidity risk; • exchange rate risk and exchange controls; • interest rate risk; and • credit rating risk. <p>Factors which might affect an investor's ability to make an informed assessment of the risks associated with Notes issued under the Programme.</p> <p>Risks related to the structure of a particular issue of Notes:</p> <ul style="list-style-type: none"> • an optional redemption feature of Notes is likely to limit their market value;

		<p>Risks related to Notes generally:</p> <ul style="list-style-type: none"> • modification and waiver; • tax consequences; • risks related to Notes held in global form; • restrictions on transfer; • risks related to nominee arrangements; • possible change to Dutch law or administrative practice; • implemented and proposed banking legislation for ailing banks; • decrease of net proceeds on the Notes received by an investor due to the EU Savings Directive; and • application of FATCA to an investment in the Notes. •
