(the "**Notes**")

Series No.: 1254

FINAL TERMS

The date of these Final Terms is 11 July 2016.

The Base Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Joint Lead Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor any Joint Lead Manager has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions (the "**Terms and Conditions**") set forth on pages 60 to 95 of the base prospectus dated 27 May 2016 (the "**Base Prospectus**") issued in relation to the Euro 100,000,000,000 debt issuance programme of N.V. Bank Nederlandse Gemeenten which constitutes a base prospectus for the purposes of the Prospectus Directive. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus. Full information on the Issuer and the offer of the Notes described herein is only available on the basis of a combination of these Final Terms and the Base Prospectus. However, a summary of the issue of the Notes is annexed to these Final Terms.

The Base Prospectus is available for viewing at the investor relations section of the Issuer's website, <http://www.bngbank.nl/investors>, and at the offices of the Paying Agents in Amsterdam, Luxembourg and London specified in the Base Prospectus. Copies may, upon oral or written request, also be obtained from the Paying Agents.

These Final Terms do not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation; and no action is being taken to permit an offering of the Notes or the distribution of these Final Terms in any jurisdiction where such action is required.

In connection with the issue of Notes under the Programme, the Joint Lead Manager who is specified in these Final Terms as the Stabilising Manager (or any person acting for the Stabilising Manager) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. Such stabilising shall be conducted in compliance with all applicable laws, regulations and rules.

B.4b	Description of any known trends affecting the Issuer and the industries in which it operates:	BNG Bank's business and results of operations are affected by local and global economic conditions, perceptions of those conditions and future economic prospects. The outlook for the global economy in the near- to medium-term remains uncertain due to several factors, including geopolitical risks, concerns around global growth and price stability. Risks to growth and stability stem mainly from continued imbalances in Europe and elsewhere, low growth levels in foreign markets and conflicts in Ukraine and the Middle East. Furthermore, uncertainty about how economies will respond to lower oil prices and the European Central Bank's (the " ECB ") monetary policy measures, including the implementation of the quantitative easing (" QE ") programme that commenced in March

		<p>2015 affect growth and stability. In addition, there is a risk that Europe may suffer from deflation causing consumers and businesses to cut back on spending. The outlook for the economy in the Netherlands remains modest.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and other de-stabilising forces such as geopolitical tensions or acts of terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to BNG Bank's operations (such as the imposition of a financial transactions tax and bank levy) has had and may in the future have an adverse effect on its business and/or results of operations.</p> <p>Although it is difficult for BNG Bank to predict what impact all of the recent regulatory changes, developments and heightened levels of scrutiny will have on BNG Bank, the enactment of legislation and regulations in the Netherlands, changes in other regulatory requirements and the transition to direct supervision by the ECB, have resulted in increased capital and liquidity requirements and increased operating costs and have impacted, and are expected to continue to impact, BNG Bank's business.</p>																		
B.5	Description of the Issuer's group and the Issuer's position within the group:	<p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has a number of wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <ul style="list-style-type: none"> • BNG Gebiedsontwikkeling B.V. • Hypotheekfonds voor Overheidspersoneel B.V. 																		
B.9	Profit forecast or estimate:	Not Applicable. BNG Bank has not made any public profit forecasts or profit estimates.																		
B.10	Qualifications in the Auditors' report:	Not Applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2015, 31 December 2014 and 31 December 2013 incorporated by reference in the Base Prospectus are unqualified.
